### DIRECTORSHIP OPENING IN AREA 2!

In the past few months there have been a two Directors who have resigned from the Board. From Area 2, Kim Schmalzriedt has stepped down, and from area 6, Dan Sachau has stepped down. The Board would like to thank them for their service. Kim has been assisting in keeping up our Facebook site, and Dan has been producing the Waves these last many years. They both have been active in fund raising, and will be missed.

This opens up opportunities to participate in your Lake Association as a Director. We recently welcomed Wade Baumberger to represent Area 6. Thank you Wade for stepping forward! The Area 2 position is still open. If you are in Area 2, and are interested in helping us continue to serve the residents of the lake, please contact any of these Officers for any further information:

Jason Femrite, President: [Jason.Femrite@Bolton-menk.com](mailto:Jason.Femrite@Bolton-menk.com)  
Chuck Brandel, Vice President: [chuck.brandel@isginc.com](mailto:chuck.brandel@isginc.com)  
Jim Folden, Secretary: [secretaryLWIA@gmail.com](mailto:secretaryLWIA@gmail.com)

We are especially interested in anyone with experience in fund-raising, web site management/usage, any type of biology/chemistry/ecology/science background, gambling management, or simply with experience in a 501c3 type organization.

If you are uncertain about which area you are in, here is are the Area 2 locations:

Area 2

2106 – 48419 Limberdink Road

2200 – 2212 Evergreen Drive

2300 – 2310 Sportsmen's Haven Court

2506 – 2614 Crystal Cove Road

31323 – 31623 Baker St

Even if you are not in the affected area and would like to participate, or watch what we do, our meetings are held at 6PM every 3<sup>rd</sup> Tuesday of the month at the Lake Washington Regional Park Community Center. If you want to be on a committee, all members are eligible to take an active part in any of our various committees. You can see the committees listed on our website at <https://lakewashingtonmn.com/> . For the most part the committee list is complete, although not accurate insofar as memberships, as we are in the process of updating the existing website or creating a new one.

And if you are just a frequent user of the lake, or someone with a connection to the lake and feel strongly about trying to improve the quality of Lake Washington, we have an “at-large” position for people in this position. Although there are no openings at this time, we would like to have you reach out to us and we can put you on a wait list. The only criteria is that you are a paid up member of the association, and have an interest in improving the quality of our lake.

With sincere thanks,

Your Lake Washington Association Board of Directors
