

Using Givebutter

A brief tutorial

Open Givebutter

- Open the Givebutter website by clicking on any of the following choices, as they all ultimately go to the same page. I used “Renewal” on the dropdown menu

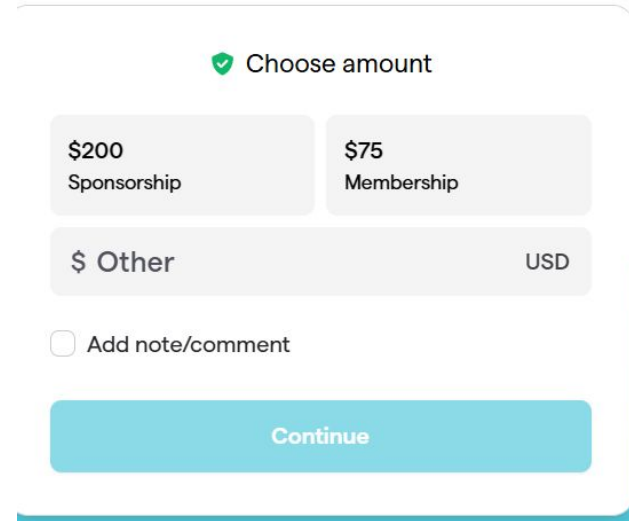

Renewal vs Become a Member vs Donate

- If you are renewing your membership, click [here](#) and proceed. No note needed.
- If you would like to become a member, please include your lake address, mailing address if different, phone # if you would like, and whether you would like a pdf file of the lake directory.
- Donation would be appropriate if you are just donating and not interested in becoming a member.

Your Choices

- If you would like to be a sponsor click on the appropriate button, click on add note/comment box, and add your name and contact info into the “note/comment” section. If you are renewing, simply click on the membership box. If your email matches your name we will be easily able to recognize you. If not, click the note/comment box and add your name.
- **CLICK CONTINUE**

This is where it gets complicated!

- Givebutter is free to certified non-profits. But it involves some clicking.
- First “change” the processing fee by clicking on the blue hyperlink and uncheck the box “I want to cover fees”
- They also ask for a tip. If you prefer not to tip, click the “-” button till you reach your appropriate amount.
- Two more boxes open up that are self explanatory. Allow us to contact you, which we suggest as you will receive emails about weed spraying, harvesting, alerts from the sheriff, and lake issues. Also if your contribution is on behalf of a company, which opens up an additional box.
- Select a payment method, which is self explanatory, and hopefully you have all done this!
